

**ANNOUNCING THE *NINTH* Angel Faces® RETREAT
FOR ADOLESCENT GIRLS (ages 11-19)
WITH BURN OR TRAUMA INJURIES**

RETREAT DATES: JUNE 17-23, 2012

LOCATION: GLEN IVY RETREAT CENTER
CORONA, CALIFORNIA
<http://www.glenivy.org/directions.php>

APPLICATION DEADLINE: APRIL 30, 2012

We are excited to announce our *ninth* Angel Faces® retreat, a special seven-day intensive retreat for adolescent girls with facial differences or large body surface area differences (from burns / trauma). The retreat addresses the challenges the girls often have in dealing with their difference. They learn skills, tools and healthy ways to respond to stares and teasing in school and in society. The girls also have private consultations with corrective cosmetics professionals. The retreat provides an opportunity for the girls to meet and grow friendships with other girls who have similar struggles in a safe, fun and beautiful setting.

Angel Faces® is founded and directed by Lesia S. Cartelli, CTS, a burn survivor herself and is supported by a volunteer team of female professionals, including two full time licensed trauma therapists.

A popular component of the Angel Faces® program is the therapeutic touch experience where the girls receive facials and massages to teach them the healing power of nurturing touch and the importance of self-care and acceptance. Through yoga and art therapy, the girls are able to express their challenges and learn ways of coping through skill building. Goal setting is addressed using techniques specific to discovering their personal power. The girls also learn special relaxation techniques to help them through ongoing reconstructive surgeries.

Angel Faces® has received numerous prestigious awards including the “Heart of a Women Award” from Dr. Phil and Robin McGraw.

Applications for adolescent girls (ages 11 to 19) can be downloaded from our website at: www.angelfacesretreat.org. Applications must be mailed along **with a close-up photo of the applicant** and application fee of \$75 dollars to:

**ANGEL FACES
539 Encinitas Blvd, SUITE 107
Encinitas, California 92024**

The close-up photo is important for our corrective cosmetic team to determine individual needs for their private consult. The \$75 application fee must be earned by the participant to insure the girl's participation and commitment to attend the retreat.

In addition to the \$75 application fee, the retreat fee per adolescent girl to attend is **\$600** (a few *limited scholarships are available*). See website for scholarship information.

Please make checks payable to Angel Faces®. We also accept payment by Visa and Mastercard through PAYPAL on our website or you may use the form below.

Girls who attend a Burn Camp (or specialty camp) within **two weeks prior** of the retreat start date are not eligible to attend.

Transportation is provided from local airports to the retreat site. Air travel is the responsibility of the participant and their parents and/or guardian. Participants should fly into Ontario Airport in southern California. Once you are accepted, we will assist you in travel arrangements. Often girls fly together.

Angel Faces® is a specialized retreat where much personal attention is given, therefore, we only accept up to 25 girls per retreat. Applications are reviewed by a committee of professionals and will be accepted on a case by case basis. We *do* accept girls who have attended prior Angel Faces® retreats on a *space availability basis*. The deadline for submitting applications is **APRIL 30, 2012**.

You will be notified of selections prior to **May 15, 2012**. If you have any questions, please contact us at info@angelfacesretreat.org.

We look forward to hearing from you!

In warm regards,
Lesia Cartelli
Founder and Director
